MECHANICAL ENGINEERING

The Journal of The American Society of Mechanical Engineers

INDEX TO VOLUME 59

January–December
1937

Published by
The American Society of Mechanical Engineers
29 West Thirty-Ninth Street, New York, N. Y.

Index to Mechanical Engineering

Volume 59, January–December, 1937

(B) denotes Biography; (BR), Book Review; (C), Correspondence; (D), Discussion; (Ed), Editorial; (P), Photograph

ABBOTT, E. J. ..... (B) 867
Surface quality (BR) 813

ABBOTT, W. L. A.S.M.E. representative at award of Washington Medal (1936) by Western Society of Engineers 306

ACCIDENT PREVENTION. Adequate job training 923

ACCIDENTS
Car failure plays minor role 524
Machinery industry 774

AERIAL NAVIGATION. Aeronautic radio 854

AERIAL TRANSPORTATION
Catapult ships 770
North Atlantic air service 769

AEROGEL. Applications 284

AERONAUTICAL EDUCATION. Boeing establishes new course 796

AERONAUTICS
Civil, in United States 958
Langley Field Conference, report 561
N.A.C.A. report (Ed) 724

AGRICULTURAL-PRODUCT DRYING
Economic aspects 305, 671
Technical aspects 305, 673

AGRICULTURE
Drying products 305
Processing research 305, 431

AIR BRAKE. Westinghouse develops 266

AIR CLEANING. Dust precipitator, electrostatic 444

AIR CONDITIONING
Bacterial control 185
Cooling requirements for summer comfort 284
Heating engineers to discuss 473
Occupational opportunities 861
Odor removal 775
Railroad passenger cars 288, 622
Residence and small office 743
Rutgers University course revised 211

AIR FLOW
American Foundrymen's Association code for exhaust systems 118
In centrifugal-fan volutes 627

AIR HYGIENE FOUNDATION OF AMERICA, INC. Preventive engineering committee report 61

AIR POLLUTION. Engineering aspects of industrial 61

AIR RAIDS. Precautions against damage 691

AIRCRAFT
Gyroplane 447
Magnesium alloys 367
Precooling 282
Spot and seam welded aluminum tanks 925

AIRCRAFT ENGINES
Bibliography 687
Cooling finned cylinders 447
Developments and problems 668
Diesel 186
Lubricating 448

AIRCRAFT PROPELLERS. Torque converter as coupling in hub 620

AIRPLANES. Constant-speed feathering propeller 959

AIRSHIPS. Helium for Zeppelins 692

ALFORD, L. P. ..... (P) 27
A.S.M.E. representative on National Management Council 306

ALIGNMENT CHARTS. Construction and use 443

ALLEN, C. M. ..... (P) 27
Worcester Reed Warner Medal (1936) recipient 26

ALLIEVI, LORENZO. Elected honorary member 877

ALLOYS
Applicable to chemical industry 189
See also COPPER ALLOYS; MAGNESIUM ALLOYS; NICKEL-BASE ALLOYS

ALMEN, J. O. ..... (B) 464
Lubricants and false brinelling of ball and roller bearings ..... 415, (D) 703

ALUMINUM TANKS. Spot and seam welded aircraft 925

AMERICAN ACADEMY OF POLITICAL SCIENCE. A.S.M.E. representatives at annual meeting (1937) 306

AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE. Section M 305, 981

ISSUE	PAGE NUMBERS
January	1–66
February	67–140
March	141–216
April	217–316
May	317–396
June	397–478
July	479–566
August	567–648
September	649–720
October	721–800
November	801–890
December	891–986

AMERICAN CHEMICAL SOCIETY. Annual meeting (1937), plans 640

AMERICAN DOCUMENTATION INSTITUTE. Incorporated 474

AMERICAN ENGINEERING COUNCIL
Accurate maps and public works urged 981
Activities and problems 521
A.E.C. hits its stride (Ed) 70
A.S.M.E. members to be informed of activities 549
A.S.M.E. representatives 51
Annual assembly (1937), report 128
Engineering experiment station legislation advised 474
Engineers' Embassy Service 312
Fees for engineers' services studied 564
Industry legislation, comments regarding 310
National Resources Committee, cooperation 312
News notes 64, 310, 474, 564, 643, 716, 796, 884, 981
Patent legislation followed 476
Patent situation, action regarding 311
Publicizing the A.E.C. (Ed) 219
Rural electrification opinion united 311
Surveys and Maps Committee supporting efforts to advance basic-mapping program 312
Public-works department 796, 982

AMERICAN FOUNDRYMEN'S ASSOCIATION
Air flow in exhaust systems, code for testing and measuring 118
Annual convention (1937), plans 134
Fall foundry conference at Battelle Institute, plans 715
Grinding, polishing, and buffing equipment, sanitation code 118
New England foundry conference, plans 309
Organization changes 134

AMERICAN GEAR MANUFACTURERS ASSOCIATION
Annual meeting (1937) plans 394
Officers elected 562

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS
Edison Medal (1936) presented to Alex Dow 207
Engineer license courses 789
Nominations for officers (1937–1938) 310
Officers (1937–1938) elected 639

AMERICAN INSTITUTE OF MINING AND METALLURGICAL ENGINEERS
A.S.M.E. cooperation with, in National Metal Congress 876
Joint fuel meeting with A.S.M.E. 560, 636, 789, 971

AMERICAN INSTITUTE OF PHYSICS. Technical conference, plans 134

AMERICAN INSTITUTE OF THE CITY OF NEW YORK. Awards (1937) 138

AMERICAN LIBRARY ASSOCIATION. H. W. Craver elected president 639

AMERICAN MANAGEMENT ASSOCIATION. National labor problems meeting planned 134

AMERICAN SOCIETY FOR TESTING MATERIALS
Annual meeting (1937) announced 472
Atmospheric-corrosion tests of wire and wire products 136
Officers (1937–1938) elected 639

AMERICAN SOCIETY OF AGRICULTURAL ENGINEERS. Agricultural Processing Meeting cooperation 305

AMERICAN SOCIETY OF CIVIL ENGINEERS
Metropolitan Section, January meeting, plans 64
Norman Medal (1936) awarded to D. W. Mead 212

AMERICAN SOCIETY OF HEATING AND VENTILATING ENGINEERS Semi-annual meeting (1937), plans 473

AMERICAN SOCIETY OF MECHANICAL ENGINEERS
Advisory Boards continued 54
Aeronautic Division's Washington meeting 206
Agricultural Processing Meeting 131, 305
A.S.M.E. Boiler, Code Committee. *See* BOILER CODE COMMITTEE
A.S.M.E. Boiler Construction Code. *See* BOILER CODE
A.S.M.E. Medal. *See* A.S.M.E. MEDAL
A.S.M.E. News. *See* A.S.M.E. NEWS
Annual Meeting (1936) ..... (Ed) 3, 16, 59, 133
Annual Meeting (1937) 713, 787, 791, 869, 872, 873, 878, 969
Annual Meeting (1939) 54, 549
Applied Mechanics Division, Ithaca meeting 306, 387, 466, 638
Automatic Oil-Pipe-Line Pumping Stations Special Committee discharged ... 389
Aviation session at Annual Meeting (1936) 35
Awards (1936) presented 26
Awards (1937) announced 873, 877
Baltimore Juniors, meetings 880, 974
Board of Review continued 54
Boiler Code. *See* BOILER CODE
Bridgeport Juniors, October meeting 880
Budget (1937–1938) adopted 549
Business meeting (December, 1936) 18
Business meeting (May, 1937) 551
By-laws, amended, adopted 54
Calvin W. Rice Memorial 549, 969
Calvin W. Rice Memorial Special Committee continued 54
Candidates for membership 66, 140, 216, 316, 396, 478, 566, 648, 720, 800, 888, 986
Certificates of Indebtedness Trustees. *See* Trustees for Certificates of Indebtedness
Chicago Juniors 879, 974
Cleveland Juniors have successful season. 470
College reunions during Annual Meeting (1937) 970
Coming meetings 56, 131, 209, 303, 389, 469, 559, 639, 713, 791, 876, 972
Committee appointments 51, 306, 548, 878
Committee on Aims and Objectives 54, 548
Committee on Dues-Exempt Members' Contributions, personnel 548
Committee on Education and Training for the Industries 54, 550
Committee on Local Sections, report 550
Committee on Medals, additional appointment 548
Committee on plastics plans organization meeting 970
Committee on Relations With Colleges ..... 54, 59, (Ed) 399, 551
Constitution, amendments 207, 551
Council Executive Committee meetings 51, 55, 306, 388, 548, 876
Council meeting (November, 1936) 52
Council meeting (December, 1936) 54
Council meeting (May, 1937) 548
Council report (1936) 9
Davis, H. N., addresses Metropolitan Juniors 470
Detroit in May (Ed) 319
Detroit Juniors inspect Great Lakes Engineering Works 392
Detroit "planned program" a success (Ed) 482
Dues for students transferring to junior membership 550
Economic Status of Engineer Special Committee continued 54
Educational program for members suggested (Ed) 400
1800 potential junior members 559
Employment (Member Relations) Special Committee discharged 54

AMERICAN SOCIETY OF MECHANICAL ENGINEERS (*continued*)

Engineers' Council for Professional Development recognition report referred to members 394
Engineers' license courses 789
Erie meeting. *See* Fall Meeting (1937)
Executive Committee appointed 54
Exhibition of photography at Annual Meeting (1936) 57
Exhibition of photography at Annual Meeting (1937) ..713, 791, 878
Fall Meeting (1937) ..302, 389, 554, 710, 873
Fellow grade of membership 53, 54, 550
Finance report (1935–1936) 13
Four meetings a year (Ed) 482, 803
Freeman Fund Special Committee continued 54
George Westinghouse Bust Special Committee continued 54
Graphic Arts Division, cooperation at Graphic Arts Conference planned ..306, 388
Greenville Section and Textile Division, cooperation at Southern Textile Exposition planned 306
Hartford and Providence Junior Group meeting attended by over 100 392
Hartford junior group publishes *Technical Times* 304, 712
Heat-transfer papers to be presented at Annual Meeting (1937) 787
Honorary membership 26, 129, 877
How the "thirty-fivers" feel (Ed) 652
Hydraulic Division, Ithaca meeting 306, 387, 466, 638
Increase junior activities (Ed) 319
Institution of Mechanical Engineers discussion on lubricants and lubrication, personnel of committee on participation 306
Interesting suggestion (Ed) 400
Ithaca Section 54, 303, 468
Joint Activities Special Committee discharged 54
Joint fuel meeting with American Institute of Mining and Metallurgical engineers 560, 636, 789, 971
Journal of Applied Physics available to members 971
Junior dues 306
Junior dues for students transferring 550
Junior grade, transfer of students 51
Junior group activities 712, 791, 879, 974
Junior group news (Ed) 892
Junior group organization 791
Junior-group-survey results, committees study 792
Junior membership, transfer of students 51, 877
Kansas City Juniors have varied programs 712
Kansas City Section meeting 56
Knoxville Section elects officers 554
Life membership rates 554
Local Sections, action concerning 877
Local Sections authorized 548
Local Sections, coming meetings 64, 140, 214, 316, 396, 984
Local Sections Committee 54, 56, 388
Local Sections group conferences 787
Los Angeles junior section grows 791
Los Angeles Section, September meeting 879
Machine-Shop Practice Division and American Welding Society, joint session 636, 787, 970
Management Division, appointments .470, 560
Manual of Practice Special Committee continued 54
Mechanical Catalog (1937–1938) issued 787
Mechanical Catalog Special Committee continued 54
Meeting in fall of 1939 at New York authorized 549
Member-reinstatement policies 550, 876
Members deaths 66, 216, 316, 396, 478, 566, 648, 720, 800, 986
Members honored by Franklin Institute. 468
Members in commencement news 638
Membership development 54, 550
Membership Development Special Committee continued 54
Membership dues not taxable 138
Membership List mailed 144
Membership status 389
Meriden and New Britain Sections combined 548
Metropolitan Juniors and Student Branches smoker 133, 307
Metropolitan Juniors, meetings 56, 304, 307, 470, 791, 880, 974
Metropolitan Juniors, plans for 1937–1938 712
Metropolitan Juniors student-branch dinner planned 712
Metropolitan Section, meetings 56, 64, 131, 209, 469
Metropolitan Section special train to Detroit 302
Milwaukee Juniors elect officers 879
National Defense Special Committee continued 54
National Metal Congress, joint session ... 876

AMERICAN SOCIETY OF MECHANICAL ENGINEERS (*continued*)

National Rayon Textile Conference, Textile Division cooperation 303, 385
National Society of Professional Engineers, policy regarding 637
New Britain and Meriden Sections combined 548
Nichols, W. W., speaks on junior-group work 307
Nominating Committee (1937) ..19, 131, 207
Nonmember registration fee at Annual Meeting (1937) 873
Officers (1936–1937) elected 25
Officers (1937–1938) elected 872
Officers (1937–1938) nominated 555
Oil and Gas Power Division meeting 385, 468, 554, 635, 790
On A.S.M.E. business (Ed) 219
Ontario Juniors elect officers 881
Ontario Juniors have successful first year 392
Peninsula Section to be host at Wood Industries Division Meeting 788
Peoria Section authorized 548
Philadelphia Juniors, October meeting, report 974
Policies and Budget Committee discharged 53
Post Graduate Student Award (1936) presented to DeW. D. Barlow 26
Power Test Code Committee on Stationary Steam-Generating Units, additional appointments 548
Power Test Codes. *See* A.S.M.E. POWER TEST CODES
President Herron addresses Metropolitan Section 469
President Herron to speak at Graphic Arts Conference 388
President Herron to visit New England Sections 389
Presidential address 5
Prime Movers in Rotary Drilling of Oil Wells Special Committee discharged 389
Process Industries Division, Subcommittee on Industrial Instruments and Regulators, meeting 385
Process Industries Division, Subcommittee on Instruments, personnel 57
Professional Divisions, Council assignments 306
"Promise to pay" members, report 877
Providence Junior Group meeting attended by over 100 392
Public Affairs Special Committee discharged 54
Publications circular issued 55
Publications, recommendation for enlarging and improving 55
Railroad arrangements for Semi-Annual Meeting (1937) 383
Registration fee for nonmembers at Annual Meeting (1937) 873
Research agreement with Department of the Interior renewed 877
Resource in youth (Ed) 399
Rice, Calvin W., Memorial. *See* Calvin W. Rice Memorial
Safety Committee, report 53
St. Louis Aeronautic Meeting (1935) papers at reduced price 208
Satisfaction of Society service (Ed) 143
Secretary Davies' trip (Ed) 219, 307, 552
Secretary reappointed 54
Semi-Annual Meeting (1937) .....132, 204, 300, (Ed) 319, 381, 383, 543
Semi-Annual Meeting (1938) to be held at St. Louis 389, 549, 551
Semi-Annual Meeting (1939), invitation to hold, in Los Angeles received 55
Senior Councilors (Ed) 3, 53, 54, 55
Should plan organized program of education for members (C) 471
Special committees continued 54
Special Research Committee on Lubrication 208
Special Research Committee on Strength of Gear Teeth, report 576
Special Research Committee on the Thermal Properties of Steam (Ed) 70
Spirit of St. Louis Medal Board of Award continued 54
Spring meeting (1938) announced 877
Standardization Committee, report 53
Student Awards. *See* Post Graduate Student Award and Undergraduate Student Award
Student Branch honorary chairmen reappointed 878
Student Branches, meetings 57, 132, 209, 307, 389, 792, 881, 975
Student Branches meet with Metropolitan Juniors 133, 307, 712
Student Conferences, Council representatives 389
Student conferences, plans 210, 308
Student-group meetings, more than 1500 attend 793
Student-group prize winners (1937) 794

AMERICAN SOCIETY OF MECHANICAL ENGINEERS (*continued*)

Student luncheon at Annual Meeting (1936) 59
Student members' dues when transferring to junior grade 550
Student members transfer 51
Student members welcome at junior-group meetings 880, 974
Study of its affairs 5
Subcommittee on Industrial Instruments and Regulators, Process Industries Division, to meet 385
Subcommittee on Instruments, Process Industries Division, personnel 57
Supplement to management bibliography published 713
Technical committee meetings 470
Tellers of election 872, 878
Textile Division Meeting 713, 788, 971
Textile Division to cooperate in National Rayon Textile Conference 303, 385
The "A.S.M.E. Library" (Ed) 569
To the student member (Ed) 723
Transactions, papers published ..66, 140, 216, 316, 396, 478, 566, 648, 720, 800, 888, 986
Treasurer reappointed 54
Tri-Cities Juniors 302, 880
Trustees for Certificates of Indebtedness 54, 876
Undergraduate Student Award (1936) presented to L. B. Stinson 26
Undergraduate Student Award (1937) to be presented to G. J. Marinelli 873
Unwin Memorial Committee 389, 877
Washington Award Commission, representatives 788
Washington meeting of Aeronautic Division, plans 206
Washington, D. C., Section, April meeting 469
Washington, D. C., Section to cooperate in National Rayon Textile Conference 385
Westinghouse, George, Bust Special Committee. *See* George Westinghouse Bust Special Committee
Westinghouse Memorial Special Committee continued 54
What local sections can do 386
With the student branches 57, 132, 209, 307, 389, 792, 881, 975
Women's auxiliary hears engineering projects described 303
Wood Industries Division Meeting 385, 713, 788, 878
Working council (Ed) 3

A.S.M.E.-A.I.M.E. FUEL MEETING
Detailed program 789
Papers tentatively scheduled 636
Plans 560
Report 971

A.S.M.E. BOILER CODE COMMITTEE. *See* BOILER CODE COMMITTEE

A.S.M.E. BOILER CONSTRUCTION CODE. *See* BOILER CODE

A.S.M.E. MEDAL
1936 presented to Edward Bausch 26
1937 to be presented to E. P. Bullard 873

A.S.M.E. NEWS 51, 128, 204, 300, 381, 466, 542, 635, 710, 869, 969

A.S.M.E. POWER TEST CODES. Draft of chapter on indicating gages completed. 878

AMERICAN STANDARDS ASSOCIATION
A.S.M.E. representatives 208, 306, 389, 548, 878
Annual dinner meeting (1936) 60
Exhaust systems report 472

AMERICAN WELDING SOCIETY
A.S.M.E. cooperation with, in National Metal Congress 636, 787, 876
Hays, W. S., appointed managing director 473
Lincoln Gold Medal to be awarded for best paper on welding 310
Machine Shop Practice Division session at annual meeting (1937), papers scheduled 787
Standard welding symbols 715

ANDERSON, E. A. Zinc in the chemical industry (D) 195

ANDREWS, H. L. .....(B) 633
Modern electric units in transportation .. 571

ANGELL, J. R. .....(P) 24, (B) 203
Westinghouse achievements, factors in modern life 159

ANTIAIRCRAFT PROTECTION. What to do in an air raid 691

APPRAISAL PRACTICE. Basic standards adopted 138

APPRENTICE TRAINING
British practice 523
Ford plants 260

ARC WELDING
Boiler drum 100
In machine shops 733
Prizes for papers 211

ARMOUR INSTITUTE OF TECHNOLOGY
Graduate engineers, part-time courses 207
Research laboratory director appointed 138

ARMS, J. H. R.
Engineering Foundation, elected secretary 980
United Engineering Trustees, reelected secretary and general manager 979

ARMSTRONG, FLOYD E. (B) 380
Problem of investment (BR) 361

ASPINALL, SIR JOHN. (B) 131, (P) 131
James Watt International Medal (1936), recipient 131
Death announced 207

ASSOCIATION OF APPRAISAL EXECUTIVES.
Adopts basic standards of practice 138

ATMOSPHERIC CORROSION. Tests on wire 136

ATWOOD, W. S. A.S.M.E. representative at Engineering Institute of Canada semi-centennial 878

AUTOMATIC TRANSMISSIONS. For automotive vehicles 619

AUTOMOBILE INDUSTRY
Control methods 493
Engineers, young 227, (C) 777

AUTOMOBILES
Automatic transmissions 619
Colored headlights 954
Compressed town gas as fuel 526
Machine-tool builders' contributions to mass production 405, (C) 781

AUTOMOTIVE ENGINEERING. Applied to railroading 401

AUTOMOTIVE ENGINES
Cast camshafts and crankshafts 857
European Diesel 858

AUTOMOTIVE INDUSTRY
Contributions to other industries 488
Practice in, influences industrial bearing design 321, (C) 821

AUTOMOTIVE PARTS. Surface broaching gives rapid production and low costs 327

AVIATION
A smaller world (Ed) 651, (C) 863
Commercial, in Britain 114
First transatlantic flight (C) 863
High-altitude flight 856
High-altitude flying record 692
Moscow to California flight (Ed) 651
Next five years 35

AWARDS. *See* Names of specific awards

AYRES, E. D. (B) 707
Next step in engineering education 678

B

BACON, H. E. Industrial water supplies 623

BACTERIA. In air conditioning 185

BAILEY, E. G.
A.S.M.E. representative on American Standards Association Sectional Committee on Classification of Coals 548
Design trends, 500–800 lb steam plants (D) 109
Development and performance of American power plants (D) 104
Steamotive (D) 534

BAKER, W. A.
Nonferrous metals and alloys, creep 771

BAKER, LEONARD. Management Division Subcommittee on Job Shop Management, appointed chairman 470

BALL BEARINGS.
Miniature, a substitute for jewels and pivots 620
False brinelling of, and lubricants 415, (C) 703

BARCLAY, W. R. Calvin W. Rice Lecturer (1938) 877

BARISH, THOMAS. False brinelling of bearings (C) 703

BARKER, J. W.
American Association for Advancement of Science, elected vice-president of Section M 305
Professional standards and democratic ideals 441

BARKLEY, J. F. A.S.M.E. representative on Jos. A. Holmes Safety Association 878

BARKSTROM, E. C. A.S.M.E. affairs (C) 386

BARLOW, DEW. D., JR. Post Graduate Student Award (1936), recipient 26

BARNES, R. M. Investigation of some hand motions 257

BATT, W. L. (P) 26, (P) 265
Assigned to Iron and Steel and Management Divisions 306

BATT, W. L. (*continued*)
Management Division representative on A.S.M.E. Council 560
Study of A.S.M.E. affairs 5
Westinghouse in perspective 263

BATTELLE MEMORIAL INSTITUTE
Fall foundry conference 715
Research associates appointments available 473

BAUDRY, R. (B) 127
Performance of oil rings 89, (D) 291

BAUMEISTER, THEODORE, JR. Theory and performance of axial-flow fans (BR) 965

BAUSCH, C. L. (B) 558, (P) 558

BAUSCH, EDWARD. (P) 27
A.S.M.E. Medal (1936) recipient 26

BEAN, H. S. (B) 541
Research on flow nozzles 500

BEARD, C. A. Ideas 523

BEARDSLEY, C. R. (P) 265
Tribute to George Westinghouse 271

BEARINGS
Oil pad, for telescope 189
See also BALL BEARINGS; INDUSTRIAL BEARINGS; ROLLER BEARINGS

BEEDE, A. H. More about mechanical-engineering education (C) 973

BELFIELD, REGINALD (P) 270

BELKNAP, R. R. (P) 304
Navy's part in national defense 304

BERNHARD, R. K. (B) 786
Dynamic properties of structures determined by models 763

BEERESFORD, A. W. (P) 265
Tribute to George Westinghouse 268

BERYLLIUM COPPER. Flat springs 772

BIBLIOGRAPHIES
Aircraft engines 687
Coal selection for steam generation 834
Engineering subjects 715
High-speed railroad services 941
Hydraulic dynamometers 753

BONNER, J. C. Boost speakers' forum (C) 130

BOOKS
Engineering methods applied to production 191
Weight of, engineers should consider 191
Why collect books? (Ed) 892

BOOKS RECEIVED. 50, 126, 202, 296, 377, 461, 540, 631, 708, 784, 866, 966

BOOKS REVIEWED
Advertising copy 630
Advertising: theory and practice 630
Aircraft engines 50
Alloys of iron and carbon 200
Alloys of iron research monograph series 460
Art and the machine 295
Behavior of money 201
Big business; its growth and its place 738
Collected papers of Rhys Jenkins 540
Compensating industrial effort 376
Development of Diesel fuel testing 126
Diesel electric plants 461
Ebb and flow in trade unionism 101
Economic control of quality of manufactured product 261
Economics in labor relations 519
Essentials of distribution 630
Facing the tax problem 612
Fundamentals of industrial marketing 630
General theory of employment, interest, and money 201
I search for truth in Russia 686
Invention and the law 630
Kent's mechanical engineers' handbook 538
Labor relations boards 435
Managing for profit 850
Managing the people's money 201
Marketing industrial equipment 630
Mechanics of turbulent flow 376
Money 201
Money and banking 201
Outlines of marketing 630
Packaging, packing, and shipping 630
Problem of investment 361
Recollections and reflections 866
Renaissance of physics 783
Saga of the seas 965
Salaries, wages, and labor relations 376
Soviet money and finance 45
Story of bridges 126
Technische oberflächenkunde 813
Theory and performance of axial-flow fans 965
Thermodynamic properties of steam, including data for the liquid and solid phases 97
Thermodynamics for engineers 460
Traffic and trade 630
Unemployment and prospects for reemployment in Massachusetts, with particular reference to manufacturing industries 182
Who's who in engineering 718

BOWDEN, F. P. Surface temperature of sliding metals and its influence on flow and wear 621

BOWEN, H. J. (P) 128

BOWERMAN, M. R. (B) 294
270-ton double-trolley gantry crane at Wheeler Dam 231

BOYD, J. Relaxation of copper at normal and at elevated temperatures 530

BREGUET, LOUIS. Gyroplane 447

BRIEFING THE RECORD (Ed) 69, 112, 184, 280, 363, 440, 523, 615, 688, 766, 852, 948

BRIGMAN, B. M. (B) 556, (P) 556

BRINELLING, FALSE. *See* FALSE BRINELLING

BRISTOL, W. M., JR. Product and sales research 258

BROACHING, SURFACE. *See* SURFACE BROACHING

BROOKLYN POLYTECHNIC INSTITUTE. *See* POLYTECHNIC INSTITUTE OF BROOKLYN

BROOKS, F. A.
Engineering opinion on local projects (C) 130
Solar energy and its use for heating water in California 368

BROWN, A. G. First transatlantic flight (C) 863

BROWNLIE, DAVID.
Low-temperature carbonization 857
Extra-high temperature steam for heating 772

BRUSH, C. B. Mechanical-engineering education (C) 882

BUCHANAN, D. M. (B) 968
Design problems of molded plastic parts 907

BÜCHI, A. J. Awarded 1937 Melville Medal 873
BUCKINGHAM, EARLE ..... (B) 633
Qualitative analysis of wear 576
BUDD, E. G ..... (B) 464
Automotive engineering applied to railroading 401
BUDD, RALPH ..... (P) 265
Tribute to George Westinghouse 266
BULLARD, E. P. Awarded 1937 A.S.M.E. Medal 873
BURBANK, E. W ..... (P) 21
Assigned to Petroleum Division 306
BUREAU OF RECLAMATION. *See* RECLAMATION BUREAU
BURNS, R. M. Corrosion-resistant lead equipment (C) 196
BURRELL, HARRY ..... (B) 968
Plastics materials 917
BUSH, VANNEVAR
American Institute of Electrical Engineers, elected director 639
Engineer and his relation to government. 615
BUSINESS LEADERSHIP. Education as a means of preparation 841

C

CALCULATOR. Machine-control 366
CALVIN W. RICE LECTURE. 1938 to be delivered by W. R. Barclay 877
CALVIN W. RICE MEMORIAL
A.S.M.E. contribution 549
Special Committee continued 54
To be unveiled at annual meeting (1937). 969
CAMERON, W. J ..... (B) 541
Decentralization of industry 483
CAMMEN, LEON ..... (P) 52
Tribute (Ed) 4, 52
CAMPBELL, THOMAS ..... (P) 265
CAMSHAFTS. Cast automotive 857
CAPITAL. Integrating interests of, customer, and labor 515
CAR WHEELS. Heat-treatment, improved, gives uniform increase in strength of chilled 859
CARBIDE-TIPPED TOOLS. Grinding sintered. 897
CARBON DIOXIDE
Production from flue gas 770
Recovery from flue gases 117
CARBON MONOXIDE. In engine exhaust .. 525
CARHART, W. F. Teller of election, appointed 878
CARRIER, W. H ..... (B) 380, (P) 26
Principles versus curriculum in memorizing facts and theories 351
CARS. *See* PASSENGER CARS; RAIL MOTOR CARS
CARVIN, F. D.
Mechanical-engineering education (C) ... 637
Society for Promotion of Engineering Education, elected secretary of division of mechanical engineering 643
CAST IRON
Graphitic corrosion 365
Modern developments 622
CAST-IRON SOIL PIPE. American Standard to be supplied by manufacturers 138
CAVANAGH, R. F ..... (B) 203
Magnaflux inspection of boiler drums and unfired pressure vessels 153
CEDERLEAF, F. W ..... (B) 464
Machine-tool builders' contributions to mass production of automobiles 405, (D) 781
CEMENTED CARBIDES. Milling cutters, grinding 221, 778
CENTRIFUGAL FANS. Flow in volutes 627
CERAMIC ENGINEERS. Institute of, proposed 474
CERTIFICATES OF INDEBTEDNESS TRUSTEES. *See* TRUSTEES FOR CERTIFICATES OF INDEBTEDNESS
CHALKELEY, L. Product and sales research 258
CHALMERS, J. B. A.S.M.E. representative on Safety Code for Power Presses and Foot and Hand Presses Sectional Committee 389
CHAMBER OF COMMERCE OF THE UNITED STATES. National foreign trade week. 214
CHAMBERS, ISOTHERMAL. *See* ISOTHERMAL CHAMBERS
CHAPMAN, EVERETT ..... (B) 464
Welded steel in high-speed railroad service 409
CHARLES T. MAIN AWARD. 1937 to be presented to A. P. Stern 873
CHARTS, ALIGNMENT. *See* ALIGNMENT CHARTS
CHASE, HERBERT. Impact-extruded zinc parts 696
CHEMICAL INDUSTRIES EXPOSITION. 1937 announced 472
CHEMICAL INDUSTRY
Metals and alloys applicable 189
Tantalum used (C) 196
Zinc used (C) 195
CHEMICAL PLANTS. Work of mechanical engineers 587
CHEVALIER, W. T ..... (B) 541
Multiplying our productivity 503
CHRISTIE, A. G ..... (B) 127
Steam turbine in the United States ... 71, ... (D) 103, (D) 449
CHRISTY, W. G. Domestic oil burners (C) 122
CHUBB, L. W. Polarized light 697
CLAPP, W. H. Mechanical-engineering education (C) 882

CLAUSEN, J. C. Mechanical-engineering education (C) 882
CLEMENS, A. B ..... (P) 883
Pennsylvania State Registration Board for Professional Engineers' honors .. 883
CLEVELAND ENGINEERING SOCIETY. A.S.M.E. representative at annual meeting (1937) 548
CLYDE, J. D. Railway lubricants (C) 626
COALS
Bibliography 834
Low-temperature carbonization 857
Price fixing 716
Selection of, for steam-generating equipment 829
See also BITUMINOUS COALS
COCHRANE A. G ..... (B) 786
Arc-welding practice in the machine shop 733
CODES. *See* BOILER CODE; SAFETY CODES
COLLES, G. W. Engineer and engineering (C) 532
COLT, SAMUEL ..... (P) 756
COLVIN, F. H ..... (P) 212
Thirty years with *American Machinist* .. 212
COMISION ORGANIZADORA DE LA III CONFERENCIA INTERAMERICANA DE EDUCACION. A.S.M.E. representative authorized 548
COMPETITION. Effect of, on industrial growth 616
COMPRESSED GAS. Automobile fuel in Germany 526
COMPRESSION-IGNITION ENGINES. Fuel spray and flame formation 525
COMPTON, K. T ..... (B) 868
Education and business leadership 841
Engineers' Council for Professional Development, reelected chairman of committee on engineering schools 884
Forecast of technological education 862
Johns Hopkins University confers degree. 310
Society for Promotion of Engineering Education, elected vice-president 643
CONDENSER TUBES. Extruded 772
CONDIT, K. H ..... (P) 21
A.S.M.E. representative on National Management Council 878
A.S.M.E. representative on United Engineering Trustees 388, 878, 979
CONE, H. I ..... (B) 129, (P) 128
Honorary membership presentation 129
CONSERVATION. River resources 644
CONSULTING ENGINEERS. Rural Electrification Administration to employ 564
CONVEYORS AND CONVEYING MACHINERY. Safety code 470
COOKE, HARTE ..... (B) 556, (P) 557
Professional Divisions Committee member 878
COOKE, M. L. Rural Electrification Administrator, resignation 311
COOLING
Aircraft-engine cylinders, finned 447
Summer-comfort requirements 284
COPPER
Beryllium, heat-treated, in flat springs... 772
Corrosion-resistant (C) 197
Relaxation of, at normal and elevated temperatures 530
COPPER ALLOYS. Corrosion-resistant (C).. 197
COPPER GASKETS. High-pressure, designing 368
COPPER-TUBE PIPING. Soldered joints ... 470
COPSON, H. R. Some consequences of graphitic corrosion of cast iron 365
CORROSION. *See* ATMOSPHERIC CORROSION; GRAPHITIC CORROSION
CORROSION-RESISTANT COATING. Provided by metal spraying 289
COPYRIGHTS. Legislation before Congress. 476
COTTRELL, F. G.
Holley Medal (1937), to receive 873
Washington Award (1937), to receive 211
COULOMB, C. A. Appreciation of work 193
COUPLING. Torque converter as, in aircraft-propeller hub 620
CRACKING PROCESS. Economic significance. 187
CRACKS, FATIGUE. *See* FATIGUE CRACKS
CRAIG, OLLISON. Design trends in 500–800 lb steam plants (D) 110
CRANES, GANTRY. *See* GANTRY CRANES
CRANKSHAFTS. Cast automotive 857
CRAVATH, P. D ..... (B) 203, (P) 24
George Westinghouse the man 156
CRAVER, H. W ..... (B) 639, (P) 639
American Library Association, elected president 639
Engineering subjects, selected bibliography 715
CRAWFORD, J. M. Automobile industry and young engineers (C) 777
CREEP OF METALS. Nonferrous 771
CROFOOT, G. E. A.S.M.E. representative at American Academy of Political Science annual meeting (1937) 306
CROFT, H. O ..... (B) 381
Encouraging research in engineering education 354
CROGHAN, J. T. Boston Section representative on Management Division 560
CULVER, E. P ..... (B) 786
Investigation of a simple form of hydraulic dynamometer 749
